PRESIDENT'S MESSAGE

Greetings to all my friends and fellow members,

Another wonderful year began for me, and I hope, for AHS, at Daytona Beach in June. I would like to extend my deepest thanks to all those who helped to make it possible. Looking back on the past year, I see nothing but the most pleasant associations and it is most gratifying. In looking ahead to the coming year, I am hopeful that it will bring the most wonderful things imaginable for AHS and for all of its members.

The membership voted at the past meeting to have the Board set the time and place for next year, and while the choice is yet to be made, we sincerely hope that you will all be happy with the final choice. If anyone has a bid to put in, please inform the Executive Secretary and it will be placed on the agenda. I am in hopes that this year will being us an up to date set of By-Laws and will shortly announce the committee for that purpose. Any and all suggestions from members will be seriously considered. I would like to ask you all to remember that these By-Laws are not only made to regulate the government of your organization, but most important of all to protect the rights and privileges of the members.

The hospitality of the folks at Daytona was exceeded only by their graciousness and we would like to thank each and every one for a wonderful visit that we will remember for a long time to come. The Show and Judging meeting that we held was very well attended and while it may not have been perfect, we at least made a start in the right direction. When we can get together and discuss our problems and air our differences in a friendly atmosphere, then we have reached a stage of maturity that is a credit to us all.

Please keep sending questions in and also write letters, any and all suggestions for improvement are
